As you may know, the University's Sapporo Campus is part of the marathon course for the Tokyo Olympic marathon event scheduled on Saturday, August 7th and Sunday, August 8th. The Organizing Committee has decided to request the public to refrain from spectating on roadsides during the event to help prevent the spread of COVID-19.

The University will also request on our website and by other means to refrain from entering the campus during the period listed below except for event-related personnel.

All members of the University community and University-related personnel (faculty, staff, students, and external contractors, etc.) are also asked not to enter the Campus during this period unless it is necessary for education, research, and other operational purposes.

**The Period of Entry Restriction:**
