

Registration is now open

MIRAI 2.0 TEG Ageing Workshop

–*Unlocking potential for new collaborations*

The digital workshop will give researchers the opportunity to:

- reconnect after the Research and Innovation Week in June 2021
- develop project ideas
- learn more about ageing in Japan and Sweden
- learn more about seed funding possibilities

Workshop date:
28–29 September, 2021

Deadline registration: 6 September.

Register and read more about the workshop at:
